

HAPPY BIRTHDAY TO A TAX COWBOY

A Tax Poem By, *John B. Goldhamer*
Richmond, Virginia
2013

Happy Birthday to a *Tax Cowboy*,
Protecting *MS Excel Ranges* from Auditors trying to *Destroy*,
And Winning Tax Appeals with lots of *Joy*,
Some think Tax is a Game with a Computer *Toy*,
With E-mails, Spreadsheets, and Law to *Deploy*,
Yet others think Tax is just to *Annoy*,
But, to a Tax Cowboy it is a good way to *Employ*,
So Happy Birthday to a *Tax Cowboy!*
